my God, in whom I trust.” Psalm 91:1-2*

PHCA Families,

Please be assured that we have been **praying for you** as we all go through this together. We face the uncertainties of a world, a nation, state, and a school family dealing with this virus. While we may not have all the answers or the whys, I know **Who my trust is in!** Use this time to tell your children about the greatness of our God and Who our trust and hope is in.

The teachers and staff have been working hard to get the materials together necessary for Plaza to continue to fulfill the mission and vision as a Christian school. We have over the past few years gone through the accreditation process and have in place a focused curriculum that will enable the school to meet the educational needs of our students.

Plaza has a tremendous group of faculty/staff that has a heart for ministry and a real concern for your family. They are working hard to deliver a valued education in a different way over the next two weeks. I have seen the work they are doing and can see how God has worked over the recent years in getting Plaza prepared to move at such a time as this.

Obviously, we will keep you updated going forward and what that looks like. Please be in prayer for not only our leaders and families but for each other. Thank you!

Yours in Christ,  
Mr. Lawson
